Deutsche Zertifizierungsstelle Öko-Tex
der Internationalen Gemeinschaft für Forschung
und Prüfung auf dem Gebiet der Textilökologie
Frankfurter Straße 10-14 65760 Eschborn

The company

Amann & Söhne GmbH & Co. KG

Hauptstraße 1

74357 Bönningheim

is granted authorization according to Oeko-Tex Standard 100 to use the
Oeko-Tex mark, based on our test report 07.0.54618

for the following articles:

RASANT, core-spun thread made of polyester/cotton, white and in different colours, **MERCIFIL** and **CORNETA**, 100% mercerised cotton sewing thread, white and in different colours, **ISAFIL** and **SILKY SHEEN**, 100% rayon embroidery thread, white and in different colours as well as **AVE LIRA** and **SILK-FINISH MULTI**, 100% cotton embroidery thread, mercerised, white and coloured.

The results of the inspection made according to Oeko-Tex Standard 100, **product class I** have shown that the above mentioned goods meet the human-ecological requirements of the standard presently established for baby articles.

The certified articles fulfil the requirements of the existing European legislation regarding the use of azo-dyes.

The holder of the certificate, who has issued a conformity declaration according to EN ISO 17050-1, is under an obligation to use the Oeko-Tex mark only in conjunction with products that conform with the sample initially tested.

This authorisation is valid until 30.11.2008
